Supplications (Duas) to have children (OffSprings)

Quranic verses on Dua(supplication) for righteous offspring ...

For couples those who do not have children, Scholars advised that both husband and wife should not get worried and troubled as everything is in the Hand of Allah and whatever Allah has predestined will undoubtedly take place. Both must be patient, approach Allah, ask Him forgiveness, abide by His orders and supplicate Him. Indeed Allah does not turndown the supplications of those who supplicate to Him. Allah Says (And your Lord said: "Invoke Me, [i.e. believe in My Oneness (and ask Me for anything) I will respond to your (invocation).

[Quran Gafir 40/60].

Allah also Says "(And when My slaves ask you (O Muhammad) concerning Me, then (answer them), I am indeed near (to them by My Knowledge). I respond to the invocations of the supplicant when he calls on Me (without any mediator or intercessor). So let them obey Me and believe in Me, so that they may be led aright). [Quran 2/186].

Scholars advised 2 things (1) Be Thankful to Allah (2) Istiqfar

(1) Be Thankful to Allah

"If you would count up the favors of Allah, never would you be able to number them: for Allah is Oft-Forgiving, Most Merciful." (Quran Surah Al-Nahl 16/18)

Since there is no limit to the favors of Allah, a believer should unceasingly keep himself occupied with the remembrance of Allah and express his gratefulness to Him.

Allah Says "If you give thanks, I will give you more (of My Blessings); but if you are thankless (i.e. disbelievers), verily My punishment is indeed severe." (Quran Ibrahim 14/7)

(2) Istiqhfar

People often forget the importance of the simple yet powerful dua (supplication) - Istighfar i.e., saying **"Astaghfirullah"** (I seek forgiveness of Allah). Prophet Muhammad (peace be upon him) recited this at least 100 times a day. Istighfar (Astaghfirullah) is the gateway of relief and happiness.

Whenever you are in distress start reciting it and Insha Allah it will take you out of your anxiety and will put you in a peaceful situation and will give you happiness. Istighfar is the secret of success and the medication that was prescribed to people who want to have more health, wealth or children.

Allah will respond to your invocations and give you satisfaction, Insha Allah. Countless people have waited for years and years before getting children and at last Allah gave them what they desired.
